

THE PERFECT GETAWAY!

Win 3-4 days at a cozy mountain cabin on the New River near Galax, VA!

This haven of peace and quiet is on a ridge overlooking the river, with easy access to hiking, parks, and the Blue Ridge Parkway. There are 15 wooded acres and the shallow, rocky river to explore, plus canoe trips, traditional Old-Time Music, and great bike riding nearby. Don't forget lying in the hammock or sitting on the deck doing nothing. All only 150 miles (3 hours) from the Triangle, at 2400 ft. -- always 10 degrees cooler!

The cabin is available in September & October, 2017 and most weekends April-October, 2018 & can accommodate 2-4 people-- dogs are welcome. There's a small kitchen, a bedroom with a queen size bed, a single size futon/chair in the living area, a loft that sleeps one or two, and a bathroom with stall shower. There's a fire pit, a big deck, gas & charcoal grills, wireless internet, and lots of board games. A mighty little wood stove keeps it toasty in spring and fall.
